PROFESSIONAL EXPERIENCE

Front-End Developer

Nitsan Technologies, Bhavnagar, Gujarat | Nov 2023 – Present

- Developed responsive web applications using HTML, CSS, Bootstrap and JavaScript to enhance functionality and user experience.
- Interacted with clients over calls to understand project requirements, address concerns, and provide updates on project status, ensuring alignment with client expectations and timelines.
- Prepared Technical Standard Reports, Speed Performance Reports, and maintained Client Hour Estimation Reports.
- Managed client communications, keeping them informed of progress and any changes, and maintained a high level of satisfaction.
- Collaborated with design and backend teams to deliver visually appealing and functional websites.
- Performed web analysis to monitor user behavior, track key performance metrics, and recommend improvements for better user experience.
- Maintained and updated existing websites by troubleshooting and debugging code, ensuring seamless operation across multiple browsers and devices.
- Implemented UI/UX best practices and conducted user testing to optimize website performance and drive engagement.
- Improved SEO by maintaining clean code, implementing meta tags, alt attributes, and other best practices to enhance search engine visibility.
- Ensured website accessibility by adhering to WCAG standards, using semantic HTML, ARIA roles, and keyboard navigation.
- Developed **VS Code Extension: Typo3 Content Block Snippets**

Technical Executive

Webtel Electrosoft Pvt. Ltd, New Delhi | June 2023 – Sept 2023

- Provided proactive technical support to end users via phone, email, and remote desktop tools, resolving over approx. 120 tickets per week with a 99% customer satisfaction rate.
- Collaborated with cross-functional teams to troubleshoot and address complex technical issues, resulting in a 20% decrease in overall service downtime.
- Implemented and maintained IT infrastructure upgrades, including software installations and network configurations, resulting in improved system performance and efficiency.
- Achievement:** Rising Star of the month.
